APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the point of diversion, place of use and manner of use of a portion of waters of the Humboldt River as heretofore appropriated under Proof 00207 as appears in the Humboldt River Decree No. 2804 entered October 20, 1931 and October 7, 1935, in the District Court of the Sixth Judicial District of the State of Nevada, in and for the County of Humboldt, is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposes herein.

It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The state retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined diversion rate of water under Permits 58811-T and 58813-T shall not exceed 0.024 c.f.s.

The total combined duty of water under Permits 58811-T and 58813-T shall not exceed 5.746 acre-feet per season for the watering of 506 cattle.

(CONTINUED ON PAGE 2)

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to

exceed.....0.012.....cubic feet per second.....or sufficient to water

506 head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed.....

Proof of beneficial use filed.....
